Capitalism and the Future of Democracy

America is a mess So are many other Western nations Populism is on the rise because our existing system of a market-based liberal democracy is

falling short of producing what citizens need and

From the Voter's View: LESSONS FROM THE 2016 ELECTION

we believe their perspective is critical for evaluating the health of our democracy We examine these problems and offer recommendations in the spirit of helping busy election administrators to identify gaps, areas of miscommunication, or system glitches that, if corrected, could lessen voter anxiety and ...

Green Party Platform

of this country has seriously damaged our democracy Corporations have perfected socializing their losses while they capitalize on their profits It's time to end "corporate welfare" as we know it The power of "civic action" is an antidote to abuse As we look at the dismantling of democracy by the corporatization of society, we need to

Creating an America We Can Be Proud of: The 2009 Workplan

- We have to use our knowledge, expertise and passion to encourage bold steps by the Obama administration to restore our lost liberties That is why we have put together an ambitious agenda outlining what our new President can — and must — do to restore the vibrancy of our democracy

crisis that goes well beyond the nation's fiscal policy ...

Finally, the crisis of opportunity for Americans to participate in our democracy was on full display during the last election cycle Reactionary state laws, unequal and unethical administration of voting procedures, and the unfettered access of corporations to influence electoral outcomes has severely damaged our democracy We must correct this threat to our democracy by ensuring: 1) universal

Noah Praetz - House Homeland

cultivate cynicism about the integrity of our elections for their own purposes Democracy is not perfect As Churchill said, it is the worst form of government except for all the others We need to protect it We will regret it if our democracy is damaged because we looked away at a critical moment

TO THE PRESIDENCY OF THE CONSTITUTIONAL COURT

The opening of this case has actually damaged our system of jurisprudence The thought that justice has become politicized damages the citizens' confidence in the legal system With the opening of this case our democracy has been damaged Parliament is the heart of democracy and political parties are the main veins that carry blood to this heart

Introduit Ionvii - Canadian Centre for Policy Alternatives

demonized and damaged If Canadians are going to mount a national, well-resourced and coordinated campaign to restore our public services and defend our democracy we need an active and united labour movement My goal is to cut through right-wing rhetoric and explain the roles that unions

DEMOCRACY IS WHERE WE MAKE IT: THE RELEVANCE OF ...

If we turn our attention from the administration to the academy, we find that there is elitism not only in our leaders but in ourselves There is elitism at the heart of philosophical reflection on democracy, an elitism I would like to take a moment to expose before turning toward a view of democracy that turns against it This elitism lies

EPSC NEWSLETTER - European Commission

'We must defend our democracy as robustly as we would defend our borders [...] In conventional defence, governments spend billions on planning decades ahead We have 20-30 elections coming up on both sides of the Atlantic between now and 2020 What is our plan? [...] Can we honestly say

that our budgets are commensurate to the challenge?’

POLICE CORRUPTION: A THREAT TO SOUTH AFRICA’S ...

African police has been severely damaged due to the reporting of rampant and reckless corruption amongst its rank and file The researcher argues that if nothing is done to address the level of police institutionalised corruption our democracy may suffer as a consequence

Deconstructing Democracy

We are now facing the consequences of how we have taken up our roles as citizens with a voice and a vote and how we have co-created the reality we currently live Unlike in dictatorships there is no-one else to blame This is a big step forward in our maturation process The history of democracy is often reflected in stories of the painful struggle

Perspectives on International Political Economy

None of us knows how these momentous developments will play out, but we can be sure that they will affect our daily lives and pocketbooks for many years Each is a double-edged sword: a potential harbinger of positive change and a potential foreshadowing of worse yet to come In other words, each development can either
